

Jim Hubbell - Capabilities & Services

→ General Handyman & Repair services

I possess a large range of skills in the construction and remodeling trades (See below). I also have a general knack for repairing and rehabilitating mechanical and small electrical items. I am a proficient auto-mechanic, having disassembled, restored, and rebuilt several classic cars from the ground up. I have my own workshop with a wide range of tools and equipment. If I don't know how to fix it, I usually can figure out who would.

→ Construction, Remodeling, & Decorating

Proficient in the following skills:
